RGSW INTERNATIONAL

INTRODUCTION

The Royal Grammar School (RGS) Worcester plans to extend its legacy by establishing international schools that are true extensions of our educational community. As the sixth oldest school in the world, we are committed to blending time-honoured values with cutting-edge digital teaching and learning.

Each new school will share our academic excellence, digital culture and holistic approach while embracing and respecting the local community in which it is rooted. This ensures that every student benefits from a world-class education that is both globally relevant and locally meaningful, equipping them with the skills, knowledge and confidence to thrive in an ever-evolving world.

RGS Worcester was named Winner of Tes Independent Senior School of the Year 2026. The Tes (Times Educational Supplement) Awards are regarded as the 'Oscars of Education'.

OVERVIEW OF THE RGS WORCESTER FAMILY OF SCHOOLS

The RGS Worcester Family of Schools encompasses four schools: RGS Worcester, RGS The Grange, RGS Dodderhill and RGS Springfield Nursery collectively offering a seamless educational journey for children aged 2 to 18. Our Family of Schools serves a diverse student body of 1,650 pupils, supported by a dedicated team of over 350 academic staff.

Each individual School operates under the guidance of its own Head, with overall leadership coming from the Head of RGS Worcester, who also serves as the Executive Head of The RGS Worcester Family of Schools. This leadership structure ensures consistency in educational quality and operational management across the Schools. Our operational excellence is supported by centralised services in Finance, Marketing, Estates, IT and Human Resources.

This model streamlines administration, supports cross-functional efficiencies and best practices across the Schools, enhancing the educational experience and operational effectiveness.

The RGS Worcester Family of Schools is committed to delivering an exceptional all-round education with outstanding pastoral support. We focus on developing a robust foundation in both traditional academic subjects and innovative learning approaches, ensuring that pupils are well-equipped for higher education and beyond.

RGS WORCESTER FAMILY OF SCHOOLS

AIMS AND VALUES

At The RGS Worcester Family of Schools, our purpose is clear: to provide an exceptional education for children aged 2–18, blending tradition with innovation so that every pupil is prepared for life beyond school. We care for each child as an individual, ensuring they are valued equally and supported to fulfil their potential. Our ethos is defined by five pillars:

Pupils make excellent progress throughout their time at the prep and senior schools, achieving increasingly strong results in external examinations.

– ISI INSPECTION

- **INTELLECTUAL DEVELOPMENT**
We develop intellect through a broad and challenging curriculum – inspiring ambition and a lifelong love of learning.
- **CHARACTER DEVELOPMENT**
We foster character by nurturing curiosity, creativity and resilience – preparing pupils to thrive in a rapidly changing world.
- **DIGITAL LEARNING AND AI**
We lead in digital learning and AI literacy – equipping pupils with the knowledge and confidence to use technology meaningfully and ethically.
- **CULTURAL DEVELOPMENT**
We build cultural awareness by promoting respect, empathy and global perspective – enabling pupils to connect across communities and cultures.
- **CO-CURRICULAR AND WELLBEING**
We support wellbeing through a rich programme of sport, the arts and co-curricular activities – helping pupils discover passions and achieve balance.

Together, these values ensure an all-round education that is rigorous, distinctive and deeply human.

MARKET DIFFERENTIATORS

The RGS Worcester Family of Schools brings a distinctive blend of heritage, innovation, and care that will define our international schools.

- 01 SIXTH OLDEST SCHOOL IN THE WORLD**
We build on over 450 years of history – cherishing tradition while preparing pupils for the future.
- 02 ACADEMIC EXCELLENCE**
We open pathways to leading universities worldwide – with over 95% of pupils progressing to their first-choice destination, including Oxbridge and Ivy League institutions.
- 03 DIGITAL LEARNING AND AI**
We lead in digital learning and AI literacy – equipping pupils to use technology with creativity, confidence and integrity.
- 04 HOLISTIC EDUCATION**
We nurture the whole person – combining academic ambition with sport, creativity, leadership and wellbeing.
- 05 PASTORAL CARE & SAFEGUARDING**
We place pupil wellbeing at the centre – creating an environment where every child feels safe, valued and able to flourish.

These strengths, already proven across The RGS Worcester Family of Schools, will shape our international schools and set them apart as true extensions of our educational community.

ACADEMIC SUCCESS

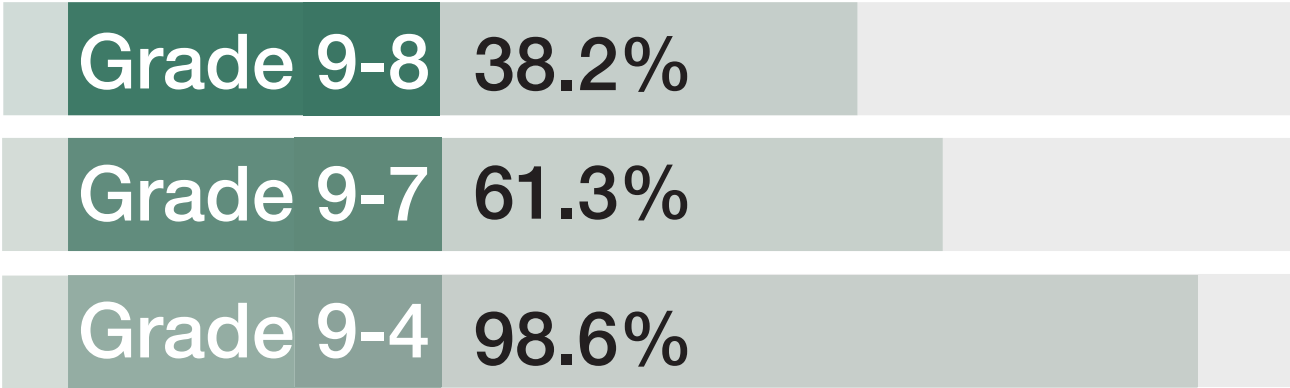

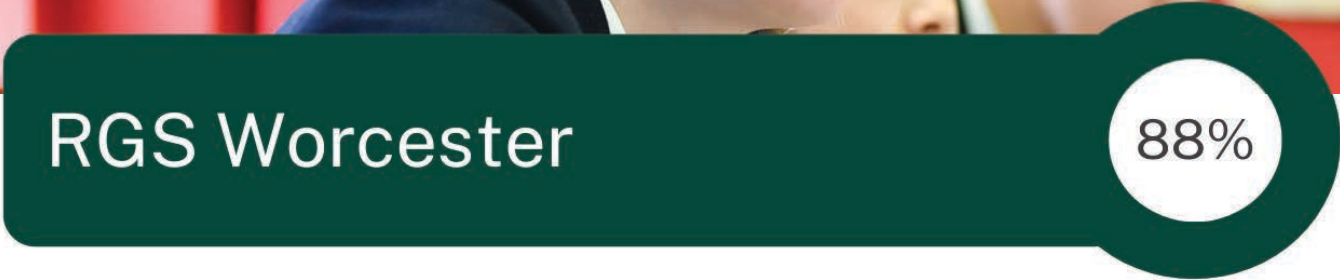

At The RGS Worcester Family of Schools, academic excellence is our hallmark. Our robust British curriculum offers flexible pathways – including iGCSEs, GCSEs, A Levels, BTEC and CTEC – designed to meet the diverse needs of our learners.

Our commitment to quality education is evident in our outstanding results. At A Level, 88% of our students achieved grades A* to B, compared to the national average of 54% in England.

Over 95% of our students secured entry to their first-choice university or a prestigious degree apprenticeship.

GCSE results saw 98.6% of students achieving grades 9–4 and 38.2% attaining top grades of 9–8. These results reflect our rigorous academic standards and dedication to preparing students for a future of lifelong success.

At RGS Worcester, we don't just aim for academic excellence—we deliver it, setting a benchmark for educational achievement that inspires both our students and our community.

DIGITAL LEARNING AND AI

The RGS Worcester Family of Schools demonstrates excellence and leadership in harnessing technology to deliver an innovative education that prepares pupils for the digital age.

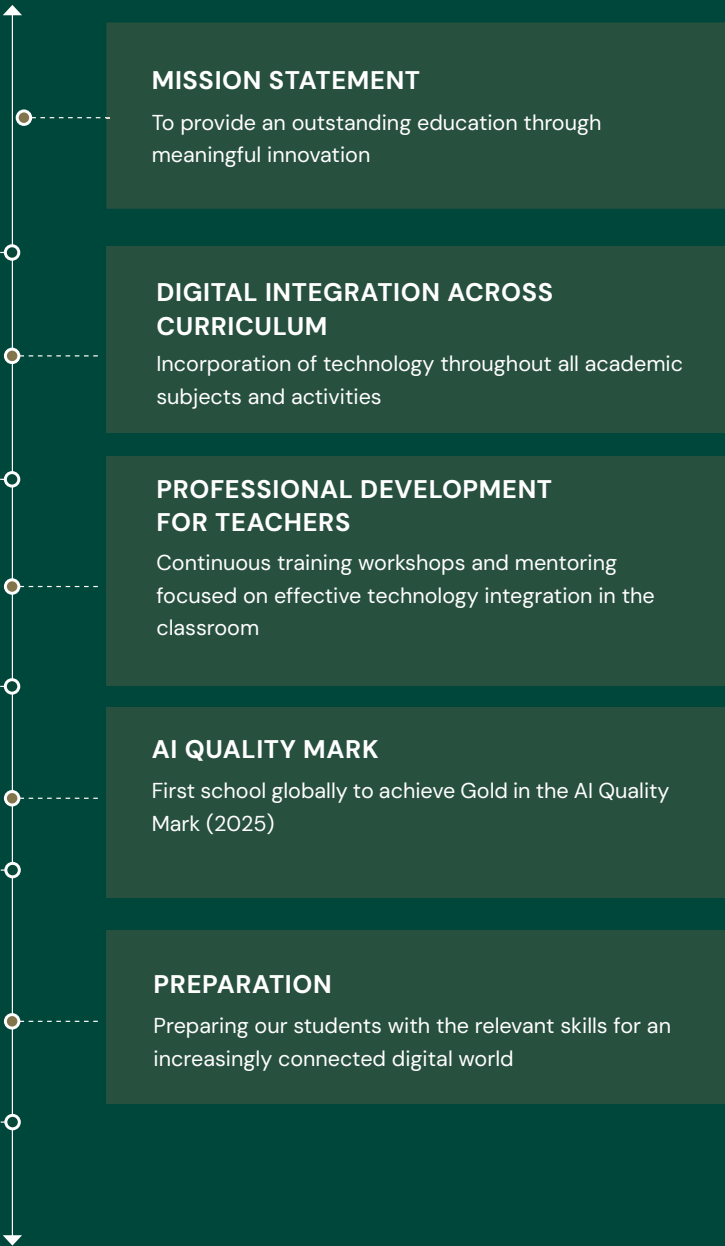

The school-wide approach to the use of technology is embedded in lessons through a digital learning programme and contributes to pupils' learning and achievement

1:2:1 IPAD PROGRAMME

Deployment of iPads from Year One to Upper Sixth

COMMUNITY AND GLOBAL ENGAGEMENT

Technology donations and CPD/technical support to partner schools abroad (Tongo High School, Ghana)

APPLE DISTINGUISHED SCHOOL

First school to host the Apple Distinguished Schools Global Summit (2026), welcoming over 200 guests from across the worldwide Apple Distinguished School community.

HOLISTIC EDUCATION AT RGS WORCESTER FAMILY OF SCHOOLS

At RGS Worcester, our commitment to holistic education goes beyond academic excellence to nurture creativity, physical wellbeing and personal growth.

This integrated approach ensures every student at RGS Worcester International develops not only academically but also as a well-rounded, confident and globally aware individual.

THE ARTS

The drama department housed within a state-of-the-art Performing Arts Centre, complete with a fully equipped theatre and dedicated drama technician, is the heartbeat of our vibrant arts programme. Students enjoy over 18 drama performances each year, including major productions like school musicals (Miss Saigon, Hamlet, Zorro the Musical, Treasure Island), year-group and House drama events, and a pupil-led theatre company performance. In addition, our annual Young Fashion Designer UK Competition for Textiles and regular art exhibitions at galleries and Worcester Cathedral celebrate creativity. With over 30 concerts annually—ranging from Big Band and Piano Concerts to Cathedral Choral and Rock-Pop performances—our music programme, supported by 200 weekly instrument and singing lessons, further reinforces our dedication to artistic excellence.

CLUBS, SOCIETIES AND DEBATING

A thriving extracurricular programme features over 200 clubs and societies, dynamic House competitions, a Combined Cadet Force and progression through Bronze, Silver and Gold Duke of Edinburgh Awards.

SPORTS

Our outstanding sports facilities host over 1,000 fixtures each year. Just minutes from campus, Flagge Meadow Cricket Ground and St Oswald's Football and Rugby pitches provide quality venues, while the Worcester International Hockey Centre offers two water-based pitches. Additional facilities include a rowing boathouse on the River Severn. For all sports, students receive expert coaching from former professional athletes.

The Athlete Development Programme includes specialist strength and conditioning coaching, ensuring students are empowered to achieve national and international honours.

TRIPS & EXPEDITIONS

More than 175 school trips and expeditions annually—ranging from field days to international sports tours and academic excursions—broaden our students' horizons. Our robust debating programme, known for its national reputation and participation in Oxford and Cambridge Schools Finals, is further enriched by our 'De-Boot' camp, where senior debaters mentor emerging talent.

PASTORAL CARE AND SAFEGUARDING

At RGS Worcester, holistic education is underpinned by exceptional pastoral care and robust safeguarding measures.

We place the highest priority on student safety, with comprehensive safeguarding protocols.

Our extensive PSHCE programme tackles the fundamental issues facing young people today through engaging discussion groups and school-wide initiatives, while our active commitment to equality, diversity and inclusion is reinforced through policy, assemblies and workshops that develop a progressive, inclusive culture.

A dedicated team—including Form Tutors, Heads of Year, Assistant Heads, Head of Section, Designated Safeguarding Lead, Deputy Head Pastoral, Senior Pastoral Leaders, specialist Counsellors and a Relaxation Coach ensures each student receives personalised, high-level support. Complementing this is our on-site Medical Centre, staffed by NHS-trained nurses, alongside comprehensive support systems featuring Pastoral Prefects and Peer Mentors, which ensure that every pupil benefits from ongoing pastoral and academic assistance.

FUTURE GOALS

By embracing technology and holistic education, we will prepare our pupils for their future.

OUTSTANDING GLOBAL EDUCATION

Provide an exceptional, comprehensive all-round holistic education for students aged 2 to 18 worldwide

DIGITAL AND AI LITERACY

Stay updated with technological advances to enhance teaching and learning, preparing our community for future digital innovations

PERSONAL DEVELOPMENT

Supporting personal development within independent education to equip students for future readiness and success

TOP RANKED UK UNIVERSITIES

Maintain the delivery of outstanding examination results that lead to a high rate of acceptance into QS Top 100

There are exceptionally supportive relationships between pupils, and between pupils and staff. This leads to an environment where pupils flourish. Pupils develop exceptional levels of confidence academically and personally, which creates a highly focused learning atmosphere and supports pupils' success in their learning, including in national examinations. This is a significant strength of the school.
